

# Participate in National Moth Week 2025!

- See some amazing moths!
- Help document local biodiversity!
- Learn how biologists attract moths and study them!

**When:** July 19-24, 10:00pm – Midnight

**Where:** Samuel Wilmot Nature Area (outdoor event)

Meet at Toronto St. parking lot at 10:00 PM and we will walk to the site (~5 minute walk)

**Register in advance:**

<https://www.eventbrite.ca/e/national-moth-week-2025-samuel-wilmot-nature-area-newcastle-on-tickets-1465021953099?aff=oddtcreator>

Let us know how many people are in your group and what day(s) you would be interested in coming out!

- Runs only on rain-free nights
- Limited number of participants per night
- Dress appropriately
- Bring a flashlight, bug spray

NATIONAL

MOTH WEEK

Event led by Tom Hossie – Assistant Professor at Trent University
