FREE Mom Wellness Group: Building the Village

Date and Time: Monday, October 6 1:00 pm - 2:00 pm

Address: virtual

Motherhood was never meant to be done alone, yet many moms find themselves carrying the invisible mental and emotional load in isolation. This month's Mom Wellness Group is about the power of connection. Together, we'll explore how finding your village, building support systems, and creating space for dialogue can lighten the load and remind you that you don't have to walk this path by yourself.

In this session, we'll...

- Talk about why community matters and how it supports maternal well-being
- Explore the healing power of shared stories, empathy, and dialogue
- Reflect on what "building the village" could look like in your own life
- Share gentle strategies for reaching out, receiving, and offering support

What to expect

A therapist facilitated peer-support session with reflection, grounding practices, and conversation. This is *not* therapy, some psycho-education is typically included but a nurturing space to connect with yourself and other moms. Slides can be shared after session.

Firehouse Fright Night 2025

Date and Time: Thursday, October 16 7:00 pm - 10:00 pm

Address: 2287 Durham Regional Hwy 2

The 18th annual Firehouse Fright Night trail of terrors inside the huge corn maze at Watson Farms again! Dare to enter a space teeming with spooky creatures for this year's theme - "Courtice's CarnEvil!" Check out our spooky theme reveal trailer when it lands here later in September!

- Interactive, story-driven trail (about 30 mins to walk through)
- Spooky Wagon Ride from the park lot down to the maze!
- Over 30 scenes spread across 100,000 square feet of field
- 80+ characters that will seek you out as you travel
- Safety Note -> Loud sounds, strobe lights, fog, and other special effects in use!
- Great for all ages and especially for families (and date nights!)
- Snacks/treats (giant cookies, candy apples, etc) for sale at the exit just \$3ea or 2/\$5

Parents - you know best what your kids enjoy for a good scare. We have seen kids age 5 and less who are fascinated and love the experience, and we have seen teens who can't make it past the clowns (oh yes, there will be creepy clowns folks!) We leave it to you to decide if it's the right fit for your kids. We do also provide a "magic" word just before you enter; something you can shout out to scare the monsters back...a little bit.

This event wouldn't be possible without the exceptional, generous support of Watson Farms and Paul Watson in particular. Thank you for hosting our monsters year after year!

ABOUT TICKETS

- You buy 1 ticket per person, for a booked time.
- Discounted prices are shown for buying 4 or more tickets!
- Like every year, we absorb the service fees!
- Compare us to other events - we are 35% to 80% less expensive than any other spooky event out there, but with the a huge and uniquely interactive experience!

- You will be sent in as a group (max of 6 at a time)
 - If you have more than 6 in your party, we will split you into multiple groups at the trail entrance
 - If you are less than 6 in your party, we will send smaller groups in as one larger group
 - Tickets are sold online only for booked times.
- It is CRITICAL you arrive 20 minutes before your ticket time.*** Example, if your ticket is for 7:00 - 7:10pm, you must arrive by 6:40pm.
- This is because we cannot just "slip you in" if you are late. It would push everyone else out of their time slot and that is not fair to them. There are no refunds if you are late.
 - Your ticket will come to you as an E-mail, and you need to bring that on your cell phone (or printed) so that we can scan them when you arrive.
 - Please make sure you have a ticket for EACH person in your group. Your ticket can only be used once. No ticket, no entry.

IMPORTANT SAFETY ITEMS:

- The trail is NOT considered accessibility-themed. This is a corn field, with uneven ground, corn stalks and cobs on the ground. While a wheelchair can fit through the width of the trail, wet weather and other conditions would make it difficult for persons needing any kind of mobility assistance to navigate. You may wish to come, but understand it can be difficult to traverse!
- By booking times, we are keeping the number of people in line at a minimum, reducing your wait time to enter
- For your safety - there is no touching the monsters, pushing, crawling or running inside the maze
- Loud sounds, strobe lights, fog and other special effects in use
- Port-o-Potties are available on site

Ian founded the 905 Comedy Festival, created one of Canada's funniest moments with his Jerry Springer hoax, and recently released his debut album Roleplay. He's also a comedy coach for CEOs and celebrities at the Humour Me fundraiser, which has raised over \$25 million.

This is a live comedy show — nothing is censored, and nothing is off-limits! The comedians say what they want, and if that ruffles your feathers, well... that's on you. If you're easily offended, might be best to stay home and yell at your TV instead—otherwise, buckle up and enjoy the ride!

A guaranteed good night out with a date, family (subject matter often R rated) or group of friends. Comedy Nuggets is committed to providing a fun night out. If you're looking for a good time, this is one of the best things to do this weekend in Bowmanville.

May cause uncontrollable fits of laughter
